  - 20+ units      45% discount off the website price
- + \$5 usd per unit for the CD-ROM and case (we split the cost of the CD)

### Example calculation

The following is an example calculation for reselling 15 units of Notation Composer if the website price is \$87.99, and you want to provide a \$10 discount to your customers:

Cost per license	$$(0.60 \times 87.99) =$	\$52.79 ea
Cost per CD	\$5.00	\$ 5.00 ea
<b>Total cost to you per unit</b>		<b>\$57.79 ea</b>
Charge to your customer (including \$10 discount)		\$77.99 ea
	<b>You earn \$77.99 - \$57.79 =</b>	<b>\$20.20 ea</b>
